

Recipe For Happieness

Combine overwhelming amounts of love and cheerfulness in a bowl: add a large pinch of acceptance and a dash of true Forgiveness. Stir in equal parts of hugs and laughter. Pour your heart into it and mix until all bumps have been smoothed out. Sprinkle with faith and hope accordingly. Simmer for the rest of your life.

Note: Best served with family and friends

I thought this would be good to post:) Please share with me all the things that would be in your recipe for happieness. I look foward to all of your replies. Take care out there.
