

Whens the last time you...

I was sitting here thinking about something to post that would be fun and intresting and I came up with the concept of When's the last time you...O.K, the idea of this concept is for you to read any of the questions I'll list and tell me when's the last time you...

Went Swimming?  
Ate ice cream?  
went to the movie theater?  
rode a bike?  
Read a boring book?  
Ate a slice of pizza?  
Made acrazy or silly facial expression?  
Sat alone with your thoughts?  
Gave some helpful advice?  
Told a lie?  
Hung out with friends?

That's all I could come up with for now but please come up with your own and let me hear them. I look forward to hearing from anyone on this subject and feel free to ask me some When's the last time questions but keep in mind I been in prison almost eleven years and my answers might be kinda out dated (LOL).

Take care out there and I look forward to your responses.
