

Clouded Views by Ronald W. Clark
I sit on death row day after day
Watching my life waste away
Yet I think back on a life I once had
Where times now don't seem so bad
Thinking of all the love I had
But the drugs surely clouded my view
And ruined my life and others too.

"Life As I See It"
Life as I see it surely can't be
The way we live life back here unfree
For this is truly not a life
And anyone can see
That life back here just isn't meant to be.

your referring to stacy, the reason she didn't get caught up in that, is number 2 she would have been to smart to do something that stupid. she is very intelligent. But I think by the time all of that was taking place, she was getting ready to marry someone on the street. That's when Tom Found Wendy. Now you know. Please take care.

In Peace & Love
