PAIN & HURT.... Why is it that we feel this INSIDE US.... LOVE IS LIKE THIS....

My point is life still GOES ON, NO MATTER HOW MUCH IT HURTS.... THE SUN SETS & RISES EACH DAY.....

telling a friend how it IS.... the hurt.... the feeling of a loss of a loved one.....

the PAIN OF LOVE IS WHAT WE ALL SHARE..... WE ALL DREAM AND GRY.... BUT AGAIN THE SUN SETS.... AND RISES.....

but why do we have to CONTINUE to feel PAIN.... ITS LIKE A PERSON WHO STUBS THEIR TOE ON A CHAIR..... THE PAIN IS SO INTENSE YOU WISH IT TO GO AWAY.... ONCE YOU WALK IT OFF YOU FORGET ABOUT IT.... BUT IS THAT THE SAME PAIN WHEN A LOVED ONE DIES? DO YOU JUST WALK IT OFF?

LOVE DOESN'T HAVE TO HURT.... WALK IT OFF & TALK TO A FRIEND....

God forgives us... he takes  
 the pain + hurt away.... but  
 when you stub your toe.....  
 does God take that pain +  
 hurt away? thats the part of  
 us to suffer..... to feel how  
 pain was for our lord to  
 carry the cross..... we feel  
 love or pain..... thats the que-  
 stion..... what is love and what  
 is pain.....

We all have a love for  
 each other, but when someone  
 feels pain + hurt we all should  
 allow ea other to feel + share it  
 not just hold it in.....

talking + sharing what  
 pains you can take the hurt  
 away.....
