

# Q The Seed In need

In a Head of Blossoming  
Our Seeds are doing Aime

Confined to lower brain forms  
Society seems to have NO mind

Who will teach & lead  
NO more breed as if  
DOG Horse Sheep

Awaken O Thou  
Whom Sleep  
Hath Over taken

Elders have forsaken  
& place Blame  
On those born Naked  
& Nameless

Who - left to shape the  
Path  
of progress  
Away

from predator/prey  
None - to be found even amongst  
your very OWN
