

Howdy!

I have just been given this and haven't had anyone check it out, so please do.

I was told that there is a petition for a federal good time bill in the works. The info for this is at:

www.change.org/petition/sponsor-the-barber-amendment-federal-good-time-bill

PLEASE check this out and support it if it's true. Also please let me know if this information is correct or not.

Thanks to all.
