Thank yau for understanding aur situation ofus buried alive in these concrete toombs. aur stories hopefully will have the effect intended to break the chains of oppression by bringing to the attention OF the Tax payers how there hard earned dollars are being Spent. Juan Mendez, the UN rapporteur on Torture, is currently working on complaints from California as per the protocols of his office i.e. conducting an investigation, talking to California authorites, etc. in response to charges of torture and cruel, inhuman and degrading treatment.
