

Clouded Views by Ronald W. Clark
I sit on death row day after day
Watching my life waste away
Yet I think back on a life I once had
Where times now don't seem so bad
Thinking of all the love I had
But the drugs surely clouded my view
And ruined my life and others too.

"Life As I See It"
Life as I see it surely can't be
The way we live life back here unfree
For this is truly not a life
And anyone can see
That life back here just isn't meant to be.

Dear John

Good morning my Friend! Hope all is well on your end. I received your comment last night and it was great to hear from you. I haven't received a letter from you lately. I was thinking about dropping you a card the other day. I'm glad you liked the new stationary, the women don't seem to like my skulls, so I'm moving away from the skulls. I'm going towards animals, flowers, butterflies ect. Got to keep the women happy. I hope your just busy with your work. I'll be dropping you a card over the weekend. Take care, stay focused, stay out of trouble and write soon.

In Peace Love & Friendship
Romie ☺
