

Clouded Views by Ronald W. Clark
I sit on death row day after day
Watching my life waste away
Yet I think back on a life I once had
Where times now don't seem so bad
Thinking of all the love I had
But the drugs surely clouded my view
And ruined my life and others too.

"Life As I See It"
Life as I see it surely can't be
The way we live life back here unfree
For this is truly not a life
And anyone can see
That life back here just isn't meant to be.

Dear cyber bully,

Good morning! And thank you very much!" I really appreciate your support at trying to stop these rant's on my blog. I'd love to expose her and show her neighbor's, boss, kids ect exactly what she's doing over her. And if she doesn't apologise, you will get your answer about who she is, cause if it takes a law suit to get an apology and stop her lies then no doubt this will make the news and get alot of publisity. we will see what happens in the next few week's. I just got tired of all of her lies. I can't put up with liars, not even if their financially supporting me as was the case with Kryssy (the woman who lied in the magazine article about visiting marrying me ect). Any ways thank you for your assistance in this. I appreciate it. Please take care.

IN Peace & Love

Ronnie
