

Clouded Views by Ronald W. Clark
I sit on death row day after day
Watching my life waste away
Yet I think back on a life I once had
Where times now don't seem so bad
Thinking of all the love I had
But the drugs surely clouded my view
And ruined my life and others too.

"Life As I See It"
Life as I see it surely can't be
The way we live life back here unfree
For this is truly not a life
And anyone can see
That life back here just isn't meant to be.

Dear Buhogrunon

Good morning! Hope my reply finds you having a wonderful day. I received your comment last night. Thank you for writing, and for all your help at *between the bars*.

Luckily Paul Howell got a stay, unfortunately Larry Mann is now on death watch and scheduled to be killed April 10. By the time this gets posted and reaches you, Larry will probably be gone. I hear he's got a bad case. I don't know, I try not to know what guys are in here for.

I'm trying to find someone at BTB to personally write, so I can send my art work to them, and have it posted. I've sent several pieces of art out back in January in a big yellow envelope that never got posted, and I don't know where it's at. Do you know how they handle the art? Is there an e-mail address there? If so I could have my friend Dina scan and e-mail the art there. Hopefully you can give me some guidance there. Thank you again for all of your help. Please take care and have a wonderful day.

In Peace & Love
Bonnie
