

INMATE CARE PACKAGES

It's that time of year again.

Now I already have my package arranged, and at it's limit of \$150.00 of food and another thirty of clothing; so no need to worry. However, if you have a family member incarcerated then you may want to consider visiting:

www.southcarolinapackages.com

The last date to place orders via snail mail is April 4, and the cut off for orders via the website is April 11.

Inmates will get their package on, or about, May 8.

*Nec me meminisse pigebit Elissae
Dum memor ipse mei, dum spiritus hos regit artus.*

Nor will it ever upset me to remember Elissa so long as I can remember who I am, so long as the breath of life controls these limbs.
