Dear Schneehase

Good morning! I hope all is well on your end. I received your comments last night and it's always good hearing from you.

Now you're the one who informed me that nothing had been posted for a few weeks back in January. The problem I have with B.T.B. is I don't have a direct contact and therefore there's no way to get verification on what they receive. But there's three pieces of art missing, No 4, my logo with a Dove and Eagle, the Raccoon, a Valentine and a Landscape all of which was sent back in January and February. I just don't have anyone there to write and check on it. And that's the problem. I've told B.T.B. they can keep my art and sell it to help finance B.T.B. and what they do. I don't really care about the art. I do want a blog that I have more control of. But no I don't blame B.T.B.

I'm glad you liked the puppies. I have some kittens that I done. you would no doubt like them too.

Well I'm going to get to a couple of your other comments.

In Peace & Love

Jonnie
