"A TRIBUTE TO THE WOMEN OF THE WORLD, THE CROWN OF CREATION"

FROM THE MEN OF THE WORLD

Warmest greetings and Salutations of Peace to you our dear women:

We hope that when this letter reaches your Queenly, lovely, and beautiful presence, that it finds you(all), (each and everyone of you breathtakingly beautiful, stunningly gorgeous and absolutely adorable creatures(women), worldwide, (the Crown of Creation), all 4, some odd billion of you, taking your Queenly and daily stroll, hand-in-Hand, with God, The Most High, and with your immediate family members and friends, both living and deceased, into and through The Garden-Of-Felicity(Heaven), and well; knowing that you(all), are constantly in both our thoughts and in our prayers, (our daily prayers). And also, that we love you with all our hearts, with our whole minds, and with our whole strength.

Speaking of you(all) being constantly in our thoughts, in our respectfully addressing you, we want to take this opportunity to say that:

"If we had a flower
for each time that
we thought of you,
we'd have a really
beautiful Garden

"Special people like
you, make the world
so much nicer just
by being in it!"

To

my women and my Queens

THE WOMEN OF THE WORLD

With all my Love
