

I will NOT ONLY Publish my Poetry and ramblings OF My life ON my blog but will also use my blog to reach out to the people I have known, loved AND hurt even if they dont read it. I have hid behind my shame and guilt. for to long. I have abandoned 4 kids because OF my addictions and delusions. I am no longer the same person that ended up in prison AND Now wonder if the man I am today deserves A chance to be apart OF my kids lives. It's been 15 YEARS since I have seen my son and daughter AND A year in a half since Ive seen my daughters AND NOT A day goes by that I dont think OF them

Haunted Eyes -

Haunted Eye

Follow me every where I go

These are my childrens eyes

silently accusing me

OF NOT loving them enough to stay.
