

CASEY

I hope you read this.

You AND courtney have every right to hate me AND I would NOT Blame you if you did. I can taste the Guilt as I Try to write You this letter. I am So Sorry for not being apart of your life. I am So ashamed OF my abandonment of you and courtney.

What can I say to you that would hopefully open the door that seperates us? I know the only reason there is A door between us is becouse of me.

I hope I get the chance to prove to you that I am no longer the Same man who hurt you and Courtney.

I AM Sorry

P.S. I Love you and yes it is possible to love some one you have Not Seen in 15 years.

Sincerely

Roland
