

"POEM"

"Suffering"

When will it end?
because my life want mend.
Suffering is no good for me.
I need some light so I can see.
Suffering I want to be free.
not hanging from this ugly tree.
Suffering is a hurting thing.
Is this all life has to bring?
Suffering is a sign of pain.
and, it does effect our brain.
Suffering can make us mad.
this is really bad.
