Both of the above are overwhelmed with inmate
proactive contributions. So, what limited support they
afford me is greatly appreciated. Without them I
wouldn't be able to blogpost. My mailing list thus far:

Mo. inmate Randy Teter, Reachingbeyondthewalls.
com, Red-line INC, Rainbow Bookstore, Cupid's
Prisoners Network, 4 struggle magazine, First Calvary
Prison Ministry, Catholic Charities, Prison Pen Pals.com
and Between the Bars. 4 sase in total mailed with.

on American society, and I need all the tools and
resources I can to fight it.

Please save me from this racial profile
stereotype hoax that's blocking sucking my life.
