Hi NICKI!

I would LOVE to date an Aussie lass, but your country doesn't let us convicts in... THAT is your English sense of ironic humor, God bless you all.

So, yeah, If you're interested in a fantastically witty, bent-humored Yank, feel free to write me at andyblackmore1970@comcast.net

Or if you aren't - send your attractive, witty, single female friends to my blog address. Hopefully they're 18-43 and open minded. Or just keep me to yourself. I'm good with that too!!

- Happy Thoughts -

Andy
