Dear EA; (arcadiaego)

Hi! I'm rotten too! I've been busy being a real person again... It's hard to put your life back together.

But I KEEP at it - this is the English Way

God SAVE THE Queen!! England Colder & Wetter?!?
MARRY ME?

Well on to the real news?!? Check my other recent posts. Parole is not bad at all.

I'm living in Vallejo, CA (North of SF) and it is quite the adventure ;). Feel free to email me at andyblackmore1970@comcast.net. I can respond oh-so much faster!

Happy Thoughts -

Andy

P.S. Yes, all us Yanks knew what My Ding-A-Ling was right from the start. Yee-haw!?!
