Hi M'lady;

OK, I've decided on either Liz or Beth as your name for Nick-naming purposes. That could change as time wears merrily forward.

Ooooh! Revenue Audit time? Ick! I filed my 1040EZ with 0 wages for 2012. Ha Ha. Take that, mighty leaders of Panem!

The UK has (aside from Colonisation) ALWAYS done it on a small scale - everything is Artisanal or unique. We yanks are only now re-discovering the joys of small-biz, hand-crafting, etc...

As for boys & tanks, well... boys will be boys. We love guns & tanks & horses & cowboys & Indians (or in your case, colonist gov'nors & Indians); It is in our nature to blow shit to bits.

I'm thinking of the near future today. I haven't found work & am looking to start my own biz... Should cost about \$3,000<sup>us</sup> (£2.79)(stirling) (€5,000,00)(haha)... There's a really neat niche in Junk-dealing here...

Again, you can email me at [andyblackmore1970@comcast.net](mailto:andyblackmore1970@comcast.net) any old time.
