

I remember you, your cousin, and terry ~ we were all into do or die and Bone thugs n Harmony; we used to hang with the other Jason who lived next door that we called friend. It's been a long time, so how has life been? I've been locked up for the last seven years and have four more to go in the worst case scenario. Do you still live in the dells? How is Jason doing? wow! that seventeen years went so fast, I'm 32 years old now, have a few (3) kids, all boys, two baby mommas, both of them are crazy (LOL). The last time I was on the south side was like "04-05", Jason didn't live there if I remember correctly. yeah, we all put our names on the wall, and other stuff ~ I don't truly remember what, but it was probably street stuff. OH! In the best case scenario I'll be home in 2015, so either way I'm close to the door. I don't know if you received my last post or not, but in case you haven't I want you to know that you can always write me directly at: Amondo Duckworth - 418846
