VOICE 12 Thank You Very Much, for thinking about my birthday. BECAUSE I'm just waiting on my freedom, or my Day in Court. I HAVEN'T BEEN thinking about anything else. Your comments brought me back to this. I know for a fact once a week I will be, Posting about my week and talking about my mindset.

VOICE 12, I don't know who you're, but I'm Glad you have something to say Thank You
