

## EVERYONE WISHING

Everyone wishing  
they could turn back time  
I only wish  
I could leave it behind  
Everyone wishing  
to change one thing  
I only wish  
it was you I could see  
Everyone wishing  
to take back the wrong  
I only wish  
I did not live so long  
Everyone wishing  
to have something else  
I only wish  
to be released from this hell  
Everyone wishing  
to be someone they're not  
I only wish  
that I wasn't forgot  
Everyone wishing  
they could have it all  
I only wish  
you were still small  
Everyone wishing  
they could live life again  
I only wish  
you wouldn't hate me in the end  
Everyone wishing  
for love and happiness  
I only wish  
you could understand my regrets
