

- I Won't Give Up - "Poem"
B8, R. POZO

I'll NEVER give up for Pursuing You true love baby girl - NEVER NEVER NEVER - and this is the real true, and I won't ever lie to You girl!

But when I call your lovely name, you do not respond girl and, you have really really really broken my heart - and I'm wondering (IF) you're afraid of my true love for you darling or that you don't wanna follow your infallible HEART?

I would never do you any harm baby (NEVER), neither I going to tell anybody anything, (because) what's happening betwixt you & I, Sweetheart, only God can be able to explain!

I really really really love you girl, with all my heart, **I** really really really love you baby with all my soul. You don't have to say YES or NO for now darling... but I will NEVER GIVE UP pursuing your true love, because you're amazing and out of this world Pulchritude, your sacrosanct... and your lovely and beautiful oval eyes, are and always will be, the miracle healing & the true Pandeeer of my soul!

1. 4. 3, 1. 4. 3.
Because perfect love has no fear!
