Greetings! I hope my reply finds you doing well and having a wonderful day. I received your comment last night. Thank you for your kind words and I'm glad you enjoy reading my post.

So do I know you? Do you still come in? Well I got some good news the other day. I got my visits back, only because a senator made some phone calls.

Yes, Josie was real talkative and social. She just lied so damn much. Do you remember Kay? Barry's wife? I know you know Fran. In late 98 I'm walking down that center isle. Fran and Kay come up to me, they say, "Ol Ronnie were so sorry about what happened," and they go on and on about how sorry they are. I don't have a clue what it's about. When they let me go, I go to Josie and say, "What the hell have you told these people?" She told them we got robbed, some one broke into the house and stole everything. Josie was a mess. Believe it or not I did try to talk her out of doing that.

We just got in so deep. She had over \$5,000 that belonged to other people. I couldn't pay it back without her help.

That was a messy situation. And if you go back and look at all the news releases. They never released Tom's name. They knew if they had

the story because of his case, would have been bigger than what it was by just releasing my name. Last time I seen stacy was 1999. Tom used wendy in that attempt. Did you meet wendy? she only came twice I think it was around oct or nov. 99.

Feel Free to leave a comment any time. I'll always respond. and if some how it doesn't get placed up then it got lost in the mail.

Please take care of yourself.

In Peace + Love

Jonnie 

PS. Was you out there in the visiting park in oct or nov 1997. when Josie was arrested for stealing that car? when they extradited her to Va.?
