March 25-31, 2013

Monday March 25, 2013 5:17am. Been up since 3:30 just finished cleaning the floor, sink and toilet made the bunk and waiting on breakfast. I'm going to work on some stationary this morning, write a letter and exercise legs abs cardio and may even do some pushups. Other than that just have to see what today holds.

6:48am just finished writing a letter. I'm trying to raise money for a lawyer. Chow was late. They still haven't picked up trays. That's sick how that 17 year old kid killed that 13 month old baby. something is wrong with the human race.

9:10am just finished an ab, legs exercise session. I'll do cardio later today. I've been getting dizzy and a headache. I hope this goes away. I'm going to lay down.

11:35am just finished lunch. I've been sitting here reading the bible doing some research. I'm thinking about leaving this alone showing all the problems with the bible. In fact I think I'm going to write church's and see if I can find some assistance there. only problem is 98% OF these preachers are con artist using the churchs to rob the poor. I had to put my music on to block out dumb and dumber. They're watching the price is Right and talking to the T.V.

12:59pm just did a 40 minute cardio workout. Fixing to do some work on this new station-

ary and then maybe some writing, then go from there.

Con artist selling book's and other STUFF so they can sow reap and hoard money. Christianity is a mess with all these False lying deceiving prophets.

4:49 PM. Just finished eating. I broke my tooth on a chicken bone. I'll have to get it fixed next time I see the dentist. That will be my last piece of real chicken. The guy I was dealing with found someone to give him more. I've got me a little stew cooking right now. I'm fixing to lay back and watch the news, then eat and sit in shower's and hope for some mail.

Tuesday March 26, 2013 5:22 AM. Just waiting on breakfast, made the bunk cleaned the cell. I received a few Easter cards last night and two letters one religious. I'll be answering them this morning. I'm actually reading the religious pamphlet right now so I can respond to it. Here's breakfast.

a lot to do, but this one letter has had me in the bible all morning.

10:59am. I've been writing all morning.

Reading the bible and writing Christian orgs. A lot of these preacher's are con artist, stealing from the poor, so they can

afford \$1,000 suits
drive \$100,000 cars

and live in \$1,000,000 homes. many will

hear the messenger (jesus) but few will follow the message. For a true Christian is crucified with Christ and he/she no longer lives, but Christ lives in them. I started reading and studying again to show the problems I have with the text. But now, it's pulling me in to preach it. But I can't. I don't have the Faith. But I see the Christian Faith as a mess. They trample the blood of Christ under foot, using the sacred blood to con and manipulate, and have turned the Faith into a low life corrupt billion dollar industry. oh well. I need to exercise sometime today. I also need to work on some new stationary. I need to put this bible up. I'm going to listen to music and walk for awhile.

12:58PM. Didn't eat lunch, gave it away. I've been sitting here doing art work which I'm fixing to get back to.

1:41PM. Canteen just left. I didn't really get the stuff I'd like to get. also didn't get everything I ordered, still haven't exercised. I really need to do that.

4:45PM. Got my food heating over in the sink. I've just been messing with this art all day. I'm fixing to lay back watch the news and wait on showers. It's First tonight. I hope to stay up and watch survivor tonight, but

it would. Larry has 13 day's to live. Well here's
breakfast.

9:27 am. just finished a nice exercise session. I did it
out of anger cause these two idiots are up talking
and getting under my skin. I'm thinking about putting
into get OFF this floor. I can now move to the other
end of the building. that idiot CO. is gone from over
there and I should be off heightened security any day
now. I'm thinking of putting into move. cause these
two idiot's are getting on my nerves. I have
to keep the music blasting to block
them out. I really wish all of these
cell's were closed in. Really
I don't need to talk
to anyone, accept
when I go on the
rec yard. once I was

For 30 something days. I seen an OFFicer three times a day, when they Fed me. I didn't have a radio, T.V. or anything to read, so that was kind of rough. But I'd take that over listening to these two talking. Well I need to do some writing. I've written 2 letters. I have a couple more to write.

11:22am, just finished eating lunch. It's something called Yakisoba, noodles meat and other stuff thrown together. I put a soup and cheese with it. Came out good. I've just been sitting here writing which I'm fixing to get back to. First I'm going to walk for 30 minutes.

1:25pm, just finished cleaning the cell bars and floor. I wrote another letter to a pastor. I've been under the ear buds listening to music. I just don't want to listen to anyone or talk to anyone. They got on my nerves so bad this morning, usually I don't let them get to me like that. I broke my razor this morning shaving. The screen broke. I've had it for 8 years. I got my money's worth out of it. I'm going to have to buy another one.

1:35pm. They just came down and asked if I wanted to go to rec in the morning. I said yes. And the Captain was here so

I spoke with him, showed him my mom's letter saying my visits are restored. He said that he would have to contact my classification officer and get it in writing from her. Cause like I told him, if I've got visits, then I can't be on heightened security. Well I think I'm going to walk for a while, and then decide what to do next.

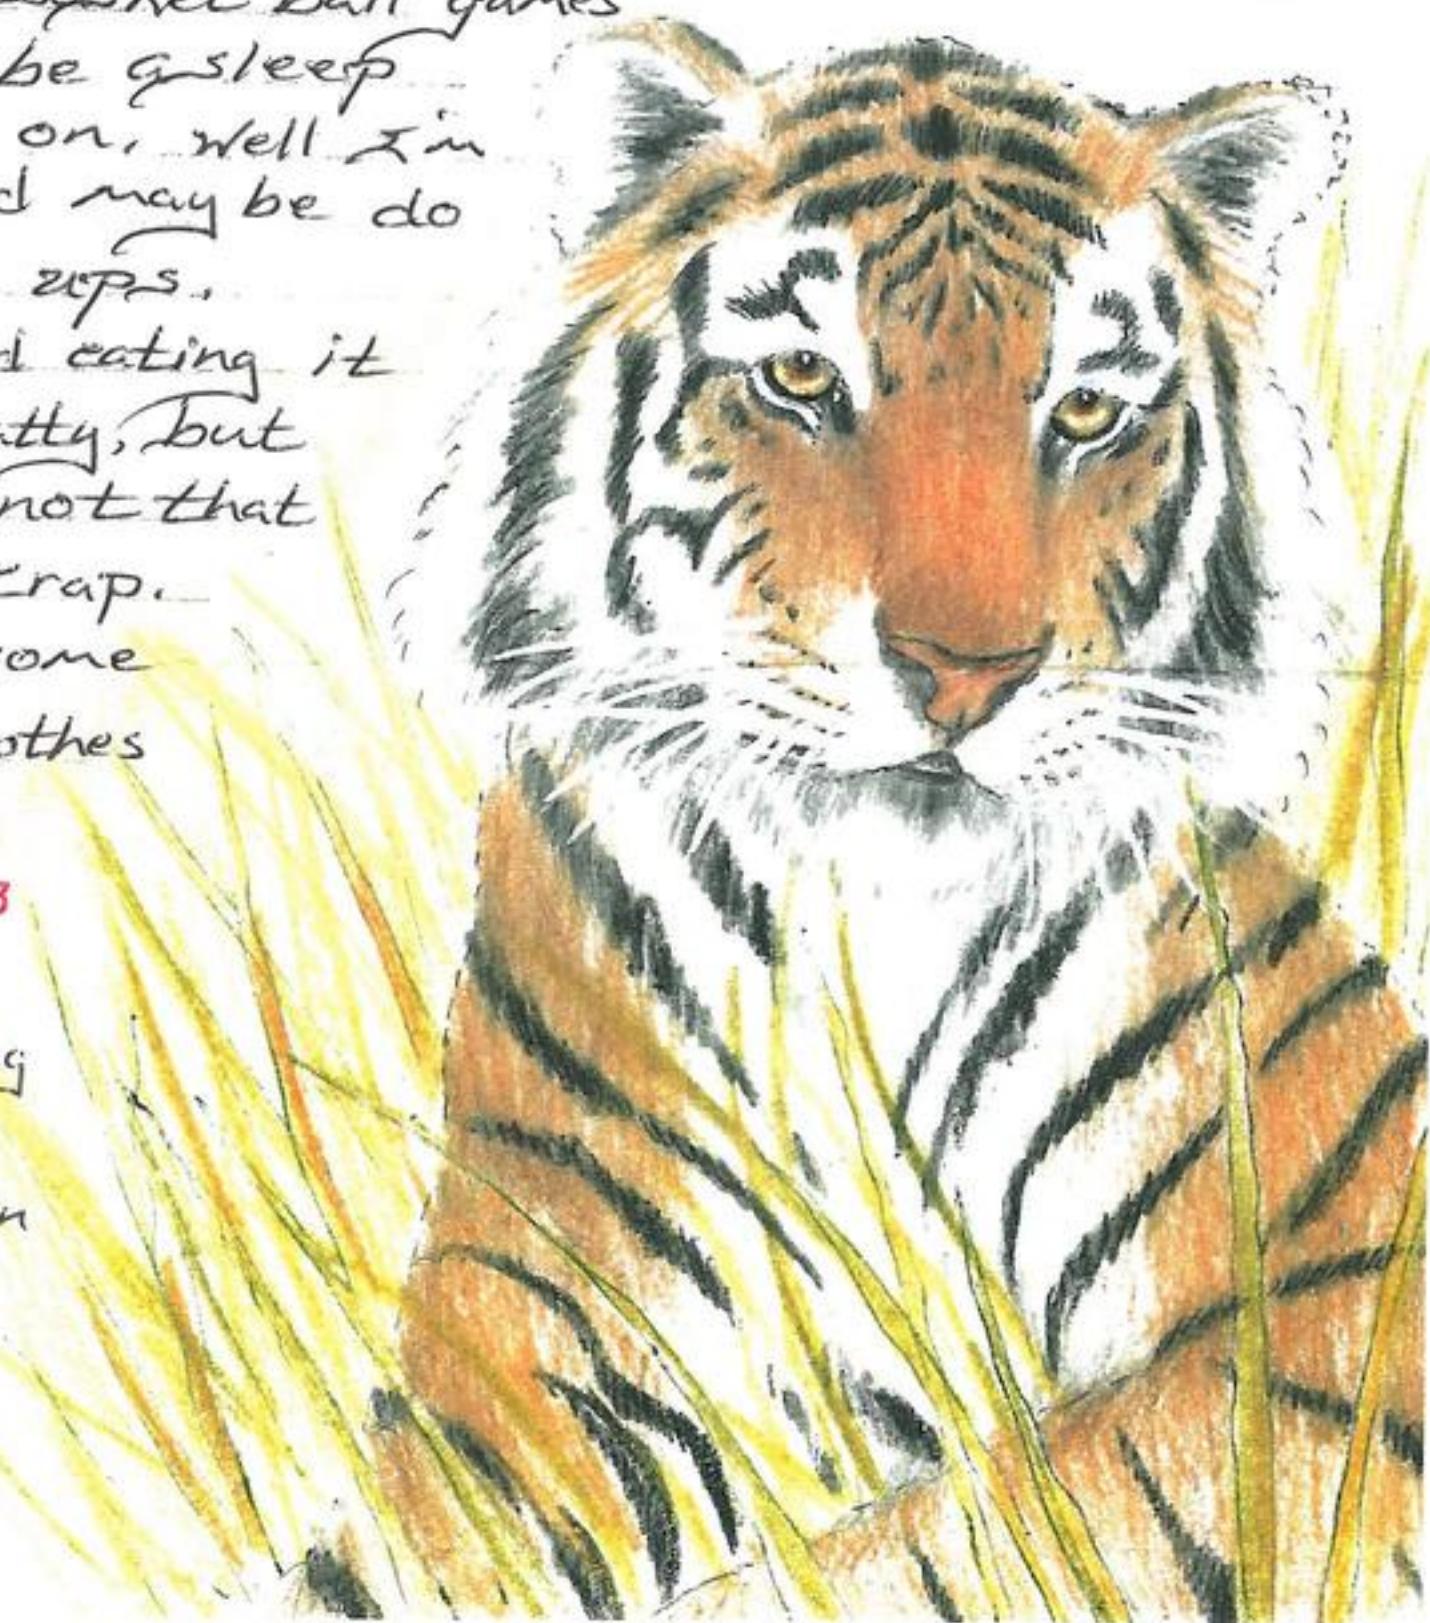

3:18PM. They had a tour group come in, but they didn't come over here. This is my stationary with the tiger. It didn't come out as well as I'd have liked. I'm tired and ready to go to sleep. At about 5PM I'm going to wash clothes, bath and get in bed. I'd like to watch a couple of these basket ball games but I'll probably be asleep before they come on. Well I'm going to walk, and maybe do some more push ups.

4:26PM just finished eating it was a processed patty, but it was cooked and not that dead gray looking crap.

Saturday, March 30, 2013 6:00AM just finished cleaning the floor. Got another cricket in here. Last night was screwed up. They started showers at 6:13, but officers were called away to do other things, so they were short staff. Guy's were getting stuck down there in the shower's for 40 minutes. so I didn't go I bathed in here. you don't want to get stuck in that shower that long.

It is nasty down there! you have to stand there don't touch the wall's bars, nothing! And once one of the guy's get out of the shower, you have no choice but to get out, cause unless both shower's are running you can't get hot water. This whole build-
