[Is there anybody out there?]

The gangsta rappers aggressively their rap
'Nigga' is just another word; except when
White I-man, Dr Laura or comedian Rich-
ard's uses it!

Then its loud protest, marches and "
off with their heads!" This proves the lie!

As a youngster, I first discovered a
similar, but more expansive ideal to neut-
ralized the N.-word - advocated by white-
Jewish comedian, the legendary and
original Lenny Bruce in his book "How to
TALK DIRTY AND INFLUENCE PEOPLE".

Though, we prefer that no one to
play "Humility Dummit", and use that evil
forbidden N.-word - Mr. Bruce felt
everyone, including white racist, should
be free to use it. [Clearly, if truly
neutralized, Mr. Bruce had the correct
idea.]
