

IN TIME SECONDS, MINUTES, HOURS, DAYS, WEEKS, MONTHS, QUARTERS, YEARS, DECADES AND CENTRY'S ALL BLEND TOGETHER AS ONE, ...

OUT DOING ONE ANOTHER, YET KEEPING ITS OWN MEANING AND DEFINITION. HISTORY IS PREPARED, THE FUTURE REACHED AND THE PRESENT JOURNEY'ED ALL IN ONE DAY.....

WE USE IT, LOSE IT, WANT IT, WASTE IT, REGRET IT, DREAD IT, REMEMBER IT, FORGET IT, RECORD IT AND IN SOME CIRLUMSTANCE WE'RE PUNISHED BY IT.

TIME IN ITSELF IS A LEGEND.
A SUPER HERO AND VILLIAN ALL AT ONCE.
SOME THING WE LOVE AND HATE,
YET, SOMETHING WE ALL SEEM TO CHARISH,
IN TIME.
