

## Lori C. Hockett :

A shameful example of RACISM, ignorance, and the egregious injustices being perpetrated in the Dallas, Texas 255<sup>th</sup> District Family Court.

RE: CASE No. # DF-09-7655-S  
IN THE MATTER OF I. L. Sharif,  
A child

### - PART I -

Lori C. Hockett, was elected by the taxpayers and voting public. She took an oath to uphold the Constitutions and laws of the United States and State of Texas. In the case involving my 6 year old daughter judge Hockett has done everything upheld the oath she took! ✓

I've twice had rulings from this Family Court/judge criticized by

The Dallas, Texas Court of Appeals.

(Google, REVIEW: 2011 TEX. App. Lexis 1517; and 2012 TEX. App. Lexis 26; or visit the Dallas County, Texas website, click the COURT SECTION AND ENTER THE ABOVE REFERENCED CASE STYLE AND NUMBER TO REVIEW ACTUAL COURT DOCUMENTS)

BECAUSE OF JUDGE HOCKETT'S PERSONAL ANIMUS TOWARDS ME FOR BEING OF AFRICAN ANCESTRY, AND HAVING THE COURAGE AND DETERMINATION TO CHALLENGE HER RULINGS; THIS JUDGE HAS DONE EVERYTHING WITHIN HER POWER TO RETALIATE, INTIMIDATE, AND DEPRIVE ME OF MY RIGHTS, PRIVILEGES, AND PROTECTION REGARDING MY DAUGHTER.

This judge has gone so far as to ignore reported complaints to her (AND TEXAS CHILD PROTECTIVE SERVICES)

WHAT I'VE BEEN MAKING SINCE 2009,  
REGARDING MY DAUGHTER BEING  
SUBJECTED AND EXPOSED TO FAMILY  
VIOLENCE, PHYSICAL AND EMOTIONAL  
ABUSE, AND DRUG ACTIVITY AS A  
RESULT OF HER MOTHER, ALLIDA [REDACTED]  
[REDACTED], DYSFUNCTIONAL RELATIONSHIP  
WITH A VIOLENT CONVICTED CHILD  
MOLESTER NAMED ERIC [REDACTED]  
(SEE: TEXAS DEPT. OF PUBLIC SAFETY  
SEX OFFENDER'S REGISTRY)

This judge still allows my  
daughter to be taken around  
and left alone in the care and  
custody of her mother's boyfriend  
ERIC [REDACTED]. This is despite a  
motion I filed "two (2) years ago"  
for a Protective Order, which judge  
Hockett refuses to consider and rule  
on despite the rulings of the appeals  
court in 2012 Tex. App. Lexis 26.

This is also despite an investigation  
"finally" by CPS which was based on a  
recent complaint by someone who has  
observed the abuse, drug use in 2012.
