

Hey Lil Sis,

What's All this Sister-in-law talk... (Smile)

Thanks for taking the time to extend your hand, Know it does take almost 2 weeks for me to receive the comments you leave for me. Also remember whatever you say is public knowledge so be careful what info you leave.

Sis please contact Stephany for me I don't want her to think I was intentionally throwing shade to her, I wrote her on the 12th of April. I didn't receive a last name in the e-mail hopefully my letter still reaches her. If it doesn't for some reason give her my info for me sis please.

Well I don't want to hold you long tell everyone I send my love.

Always Love
