Quotes

So over you is the greatest enemy a man can have and that is fear and I know some of you are afraid to listen to the truth- you have been raised on fears an lies. But I am going to preach to you the truth until you are free of that fear

-Malcolm X

This past, Teh negro's, of rope , fire , torture , death by humiliation; fear by day and night, fear as deep as the marrow of the bone...This past, this endless struggle to achieve and reveal and confirm a human identity... yet contain, for all its horror, something very beautiful... People who can never suffer can never grow up, can never discover who they are

- James Baldwin

For it is a general rule of nature that people despise those who treat them well and look up to those who make no concessions.

Thucydides-

Few people have the wisdom to prefercriticism that would do them good, To the praise that decieves them.

-Francois de La Rochefoucauld

All of man's problems come from not knowing how to sit still, alone in a room.

- Blaise Pascal
