

I cut my hair

I cut my hair! I don't know what made me do it but I just kinda wanted a new look for the new year. I cut it low in a bald fade type of cut and I like the way it looks. I don't have any flicks right now but when I do I'll post them on the blog for all of you to see.

In the mean time if you did anything new to switch things up for the new year, share them with me and i'm sure we'll get a good laugh or two in :)
