

SUPPORT FOR SENATE BILL #S1139

"An act reducing health care costs through extraordinary medical placement" S1139

We ask you as a supporter of sound criminal justice policy and prudent, moral management of prisons to support the new medical release bill authored by Senator Patricia Jehlen and others which will be voted upon in the upcoming legislative session. There has already been a public hearing on this and it now has to be scheduled for a vote in the legislative bodies.

We ask you to contact your local state senator and representative. To find out who they are you can go to <http://www.malegislature.gov/People/FindMyLegislature> or call the statehouse at (617) 722-2000. All you need do is call, e-mail, or write your legislature and simply say you are in support of Senate Bill S1139.

We also ask that you contact the author(s) of the bill directly to ask what you can further do to support this long overdue measure. Please contact:
