

REFLECTIONS TO THE UNIVERSE
[IS there anybody out there?]

HEADS UP! NEWSFLASH!

ON APRIL 17, 2013, the UNITED STATES SENATE failed to pass GUN back-ground check Legislation.

No doubt, like in 2012, President Barack Obama, then seeing a Time for change on the Equal Marriage Act, and Immigration Act rode that change to Re-election in November. Now see clearly The GUNS Hot issue, as a way for Democrats to retake the House in 2014 elections.

The REPUBLICANS, once more, having not learned the political Phenomenon of Obama, and changing times, is being Set-up with the same old Political maneuver to shock and losing in 2014.
