

Boston Bombing

Cowardly, ANYONE who would harm through the use of terrorist tactics is JUST Plain chickenshit. The horrible truth is that they have or will achieve what they wanted. infamey. They have, through this disgusting act, assured themselves a place in history if only as the slaughterers of the innocent. Deny them what they desire, deny them what is the sole reason for what they did, deny them publicity. They should be PUT AWAY in the worse prison in the US. AND simply forgotten. IN MEMORY OF THE 8 year old boy who died, these peoples' names should never be written down in any kind of books. Those who are evil enough to harm innocent bystanders don't deserve to be famous or infamous, they only deserve to die after a long and miserable life in prison. I'm not some extremist who believes all criminals should be treated like CRAP, after all I'm a criminal in the eyes of OUR OVERSEERS. HOWEVER I NEVER KILLED ANYONE AND if you were to talk to my supposed victims they would tell you I never hurt them in ANYWAY. Well take care AND PEACE AND best wishes to all those hurt in this atrocity " DONNY
