

NEGATIVE LOVE

I refuse to be discourage from loven You
despite You Pushing me away.
I'm not going any where
my love for you is Stronger then
a Silver back Gorilla.
I know You been through difficult relationship
but have know fear
Your knight and shiny armor is here
Give me a chance and I will fertilize
your heart with gentle love.
Let me in and my love will spread
like a wild fire
through out your body.
MY touch of love is like nutrition
to your soul
I can restore the broken piece in
Your heart.
Allow me to absorb your Pass Pain
and give you a new
bright future.
