WE HAVE HANG GLIDERS HANG GLIDING AROUND IN THE SKIES HERE ALL AFTERNOON. THEY CALL THIS *PRISON - "POINT OF THE MOUNTAIN" - BECAUSE THERE'S A REAL STEEP CLIFF TO JUMP OFF AND HANG GLIDE. AND THE MOUNTAINS BEGIN RIGHT HERE IN DEAPER.

THE HANG GLIDERS NEVER CAN BE OVER THE PRISON BECAUSE OF SOME RULE. BUT THEY SKIRT THE EASTERN PERIMETER AND GLIDE DIRECTLY OVER THE FREEWAY. INTERSTATE 15.

MAYBE HANG GLIDERS ARE INCORRECT. ITS THOSE PARACHUTE GLIDERS. MY VIEW LOOKS LIKE THIS:

I SPEND MY WHOLE DAY LOOKING OUT, MOSTLY. GEESE SOMETIMES LAND ON THE TOWER AND POKE THEIR NECKS AROUND AT EACH OTHER. ITS COMEDIC BECAUSE, TO ME, ITS LIKE THEY ARE POKING FUN AT THE SILLYNESS OF THIS WHOLE CORRECTION CAMP ENTERPRISE.
