

REFLECTIONS TO THE UNIVERSE
[IS THERE ANY BODY OUTTHERE]!

LOOKING FOR MY LOUD VOICE

NRA CONVENTION MAY 4, 2013
[N.C.]

DURING the NRA Leaders firey
denunciation of all gun re-
gulations, a white husband
and wife marched out on
the World Stage before
an all white audience, their
adopted Black baby, 3, to
proudly proclaimed her as
the youngest registered
member of the NRA.
While Blacks make less than
15 per cent of USA 330
million population, she is the
NRA Black child.. Black Poster
child.

Is this a screaming glimpse
of what the future looks
like for whites adopting Black
Children?

A horrific Nightmare.
