

Nothing but a Number Original 12-bar.
by Nicholas Lear

V1
Nothing but a number,
Aint nothing but a crime.
Nothing left to remind them,
that I'm even still alive

Chorus 1
Just another ~~day~~
growing old and gray.
I just might lose my mind baby,
somewhere along the way

V2
Been locked up so long,
Aint no place left to call home.
There's nothing left it seems,
to those long lost dreams.
(Chorus)

V3
How many more years,
til I'm paid in full.
When I'm old-n-gray
that's when you'll let me go.

Chorus 2
Bitter in heart and mind,
released back to mankind.
Aint no real doubt baby,
what corrections is all about.

Repeat V1
