

Reduce's

I wanna reduce your Pain
that follow you every were you go,
I can't stand seeing you in so much agony
I would love to reduce and caress
the Place's were it hurt the most.
Give me a chance to reduce the
liquid flow from your gorgeous eyes,
let me take your mind off of crazy
thought and lead your mind
to Paradise.

I constantly yearn for your affection
day in and day out.
I know what you are worth.
Just let me show you how I can make
you blossom in to a rare ~~one~~ flower.
Allow me to reduce that cold breeze
that got you shivering like crazy.
I can warm you up twice as
fast as the sun can.

I would lay my heart on the line for
you and have no second thought
or regrets down the line.
Let me reduce the stress that you are facing
Trust...

Put your faith in me,
I want let you down.
I will reduce that fear and turn
it in to courage again
so you can love
once more.
