

Little deeds of kindness, little words of love, help
to make earth happy — like heaven above.

13 May '13

Well folks, it will soon be summer and your lives
will be very active out there... and consequently, I will
be receiving even less mail. Or, that is, I hope that
I'm not receiving much mail because your lives are just
too busy being lived.

If that is in-deed the case then I'm smiling com-
passionately when I suggest you take moments in
your very active lives to smell the roses, as it were...
Be sure to make moments where you re-cognize and
appreciate the many blessings you enjoy in life.

And remember:
When you open the door for someone else,
You open one for yourself.

As for my plight in this realm of barred doors; the
long summer days make me mindful of the good times
I've enjoyed out there once upon a time — long long ago.
This is why I'm suggesting the above Appreciation for all
the blessings you enjoy. Cherish them... every one!

If you'd like to share the wealth of your blessed
life, then by all means write me a few lines every once
in awhile... and send me a few pictures if you can.
If nothing else, maybe it's easier for you to bless me
simply by honoring the attached Walkenhorst wish list.
The items listed will certainly be appreciated — all the more
if there were food items added too.

God loves me by means of You.
(see Attached)

Be blessed.
