

"Sweet Smell"

* Poetry
* A Rewrite
* * * * *

Hope Lays beyond Constive razor wire
With Smells of Perfume around & about
Jobs that gives people twinkles of Satisfaction
The comforts of a real bed
& Celebrating a romantic evening by Candles
Robins nesting uncomfortably in a front yard
While Cats watch near by
Perhaps I can attach an S.O.S to a cricket
& releasing him into the night
I Long for liberty beyond prison
The Sweet smell of a woman draws me
