Are You an Ex-employee of CDCR, and have a story you want to share, But was afraid of retaliatory measures, We'd like to hear your story, or anything you'd like to share of your employment while you employed. IF there are some changes you'd like to see take place in (CDCR) what would some of these changes be...

Attention

Do you like keeping up with current issues on what's going on in our legal sphere. Barbara Brooks is a soldier in getting reforms done. She singlehandedly handed out on California's 3 strike laws and got it reversed. Her son now sits with her eating dinner at night, instead of cemented torture chamber. She publishes the Advocate Paper. I strongly suggest you check it out. You can log on at
