[IS THERE ANY BODY OUT-THERE]?
LOOKING FOR MY LOUD VOICE

THE IRS INVESTIGATION

NEWSHOUR PBS.ORG [5-22-2013]

AS USUAL POLITICS, President Barack Obama too quickly gave into the Republicans and Tea Party long time loud claims of IRS targeting.

Thus, giving them such a powerful Political recruiting vote tool.

First former President George Bush IRS Director Douglas Shulman, who was Director during the times in question, must be cleared of any hint of setting up the President Obama's Administration.

The mass media [NBC; CBS; ABC, etc.] has adopted phraseology "IRS Targeting the Tea Party" thus convicting without a trial.

Obviously, NO laws were broken.

ON FOX SUNDAY [5-19-2013] Host Chris Wallace exposed the IRS conducted 298 INVESTIGATIONS but ONLY 63 WERE OF Tea Party.

The Tea Party and Some Republican Party have NOT learned the really real lessons of President Obama 2012 UPSET Victory.

Which is SO SIMPLE: AS MUCH AS they attack President Obama, enough Whites, AND massive majorities of so-called minorities (e.g. Blacks; Latinos; ASIANS; Native Americans, etc.)...

The New Majority shall defend him d la Bill Clinton. Real Politik.
