

Whats New — June 1st

How is everyone. My boyfriend is Stephen J. Zarate. There was a mistake in last blog. He is a 31-year-old Mexican. I love him alot. IF my Aunt Dollie is Reading. Hello. And Stephen says hi.

I am out of segregation. It feels good to be able to come out of my cell with out key irons and handcuffs. ~~How~~ How is the world out there now. Is it still fucked-up like in 2006. When I got locked-up or is it worse. I do know gas is close to \$4.00 a gallon. And that Obama is a piece of shit. That has not stood on any of his promises to change anything. Billions of Dollar to give away cars and pay for cars and trucks that don't run. Stupid. Then you got Obama Care I don't even want to talk about that. Subject He is a stupid, worthless, lying, piece of shit. And never need to be president. Hilary Clinton was the one back in 2008 I was going for.

Well I had a visit with my mom and sisters. It was great I was able to hold my mom and sisters for the first time since 2008, December. They promised me if I don't get any DRs they would try to come up at least once a month. Can't wait. I going to go for now, 'til my next post. TLG. Peace out.
