

"The World as we know it"

How sad it is that so few truly care to quiz - to find out what actually lies behind a lying politician's dark and deceptive eyes.

Sick and twisted desires, cold and murderous agendas; Money and Power sets their dark hearts and minds ablaze with wild and consuming fires.

Everyday across the land, many it seems sit hand in hand, all entranced by evil propaganda; like lost souls enthralled by some cult's charismatic messiah.

Political lies - so powerful they can often sever family ties; send so many to dark graves; while infiltrating the public's hungry minds creating intoxicating and delusional waves.

If the obsequious don't soon awaken from their stupor, take the time to seriously look and realize what lurks within these politicians' dark hearts - Then the world as we know will surely be destroyed - violently torn apart.

David "DJK" Burgess

of the spirit of the ruler rise up against thee, leave not thy place; for yielding pacifieth great offences.
