Tuesday May 28, 2013 7:23am The officers called recreation. Not for me. I've been up since 4am. just haven't been feeling good. I started a letter. and just been listening to music. Thinking about laying down, cause I feel dizzy and sluggish.

10:50am. just got my cell light fixed. Took 3 weeks but finally it's done. I haven't been doing anything. just sitting around. Wish I could have went outside. But if I could go out with everyone, I'd probably get in a fight, cause I wouldn't allow them to pick on that old man. That's not cool. well here's lunch.

3:20PM. just finished working out and I'm pouring sweat!" I'm going to wash clothes shortly and then bath. I've got to get back into a workout schedule. Damn it's hot in here! I'm listening to my music, watching the church channel. And what keeps coming to mind, these are anti-christ churches not the churches of Jesus Christ. Satan has worked his way in and began blessing the Christians with worldly wealth, and has deceived them into believing that Jesus Christ is blessing them with material possessions which then they lose focus of heavenly treasures and start seeking out more and more earthly possessions. Christ said Mt 7:15-23 there would be those who would cast out demons in his name do miracles, prophesize, and he doesn't know them for they are working for Satan. And most of these big time mega church preachers are

working for Satan under the guise of Christ, misleading billions into eternal damnation. I watch and listen and I know what their teaching is not correct. Christ said Deny yourself and Follow me. Mt 16:24, Mk 8:34, Lk 9:23 And he tells you anyone who does not give up everything he has, cannot be my disciple see Luke 14:33. These preachers, so called disciples of Christ aren't giving up anything! Their gaining profitting by selling the blood and suffering of Christ.

And these so called Christians are blind to this. Caught up in a human being, and the satanic gift of Christ, that was given to that human being. America is a satanic nation, a nation that has been manipulated into satanic worship under the guise of Christianity. For this country imitates the impurities and unholy acts of Satan, and not the merciful compassionate loving acts of Christ. Change is needed. And the change should begin with these satanic churches and the manipulated Christians who are deceived into supporting them.

Wednesday May 29, 2013 7:25 am. Good day for the state of Florida to commit a murder! Blood thirsty sick people! yep Elmer will be killed today. I got really bad news in a letter, the one guy that I'm close to here is going to be getting his Clemency hearing this summer, which means he will be on the list for execution. For Clemency hearing are garbage. We don't get Clemency. They just go through the motions. Governor Scott is signing all these warrants trying to get political brownie points for his...

re election next year, sick way to try to get reelected. Killing human beings. We human beings are a sick bunch." I got up at 4am. Wrote a letter to a Christian whose on the street after spending 30 years in here. But he's as judgmental as I've seen. Well I need to write Anne and a few other letters. I've got to work out today as well, and write a couple of churches. So time to get to it. 11:4am just finished a letter, I gave my lunch tray away. I'm cutting back on a lot of this state food. I'm getting ready to work out, and then go from there. 12:42pm. Just finished working out, and it was a good one. Just got to stick with it. I'm pouring sweat, shirt, shorts soaked, so I've got to wash clothes here shortly then clean the cell and bath. We got showers tonight, but I want get down there until 8pm. And I'm not staying like this for 8 hours. So got to bath. I also have some reading to do and another letter to write.

2:54pm. Washed clothes bathed and just been laying here in front of the fan trying to stay cool. Fixing to send out a few cards to Christian orgs.

4:59pm. Elmer has an hour to live. Governor Scott. I believe he's enjoying this power of killing men. The power of his pen to legally murder another human being. And he calls his self a Christian. And the other thing is, he's rich enough that he never has to worry about a family member being strapped to that gurney and put down. Cause he can buy their way out of it, or use his influence not murdered OF justice. Yeah 6:27pm. Guess they've killed Elmer. Last I seen was at 6pm. Where

the news said the court's denied him a stay
Thursday May 30, 2013 7:37am. Been up since 4am. seen
on the news where they killed Elmer Carroll. Also seen
another news story about this legislation to speed up
the death penalty. Now have to see if the Governor
signs another warrant for the first or 2nd week of
July. Madness! I wrote one letter to a Christian this
morning. He's been writing for awhile, but he's not a true
follower. True believer but not a follower. Faith without
obedience gets you nowhere, so I addressed that in
the letter. I've got some more writing to do I also
need to workout. We may get canteen today and
or recreation. I want to go out and do pull ups
and dips. I am sore from the past 2 days of exercising,
well let me do some writing.

1:58PM. Had a Christian volunteer come by earlier. I
talked with him for about 45 minutes. I got his
church address I'll drop him a line. I'm fixing to
work out here shortly. Then wash clothes bath and
write a letter. Time to get going.

3:23PM. I had a good workout just got to stay
with it. Fixing to wash some clothes and then I
can lay back, write a letter watch some news eat
dinner and call it a day. This bible, it's really been
in my mind alot. I feel drawn to it. And I don't
like it, because I have my own agenda. But I see
things that most people don't.

once the guys come back in from recreation. I've got another letter to write. I've got some bible reading to do, so time to get to it.

10:15am just finished working out. I had a good one. I was also reading the bible between sets. I'm pouring sweat and tired. But I'll be going to rec this afternoon. I'll do some pull ups dips and run. Right now I'm going back to reading the bible.

2:11 PM. Got back from the law library canteen teen was here, so I got my canteen. They beat me for my recreation again this week. I'm really tired of that. I need to get something done about this. I need to get a few things done before showers. I hope to get my shower first, so I can come back and go to sleep.
