Dear Hooker

Good morning! I received your reply last night, as you can see it takes a while to reach me. But here I am, I don't always know if all the comments reach me or reach btb for posting. I hope you receive this.

On selling my art, I can't do it, it's against the rules. I've gotten in trouble for that a couple of times in the past, we're only allowed to beg for money not earn it. But if you like the two birds over the ocean I'll give it to you. Just write me a letter with an address to send it to. I'll send the address to Dina and have her mail it to you. It's only 5x9 so it's not very big. If you want it let me know. Please take care of yourself.

In Peace + Love

Janice
