

Hello here's another poem, I hope you enjoy it. Peace ☺ Downy.

Three Words

I am so broken
shredded and raw
Searching for love,
addicted to lust
GRASPING ACCEPTANCE
finding only hate
PRAYING FOR HAPPINESS
CROWNING IN DESPAIR
Three words destroyed me
NOBODY CARES
PUNISHING MY FAILURES
trying to help the lost
RETROACTIVE RETRIBUTION
AT ANY COST
SUFFERING LONELY SEASONS
MY SOUL WASTING AWAY
The price is too high
being forced to pay
Three words to save me
would you?
