

Hello my friends, Here's some more lyrics, ENJOY, PEACE & DONNY

Faithful Rebuke

CHORUS

We can't take it off  
We can't shake it off  
So just blame it on God

All the little children  
touching and feeling,  
caressing and revealing  
this sexual stealing

Verse 1

it isn't love  
And when your hitting  
screaming and spitting  
smashing and thrashing  
mashing and dashing  
it don't make you tough

CHORUS x2

+ why is life so hard  
And while you beat us  
touch and mistreat us  
but tell us you need us  
then wash off our blood

V:2

why do you hate us  
beat us and take us  
constantly break us  
and mentally rape us  
Are we so different from you

CHORUS

BRIDGE

You can't hear us  
when we're begging and pleading  
cause you want to kill us  
with the hate that you're feeding

BRIDGE-CONTINUED

Our tears are still flowing  
but we're never knowing  
where this is all going

Please tell us the truth

That's my blood on your hands  
my life lying in ruin  
So stop for one second  
to see what you're doing

you're betraying my love

Ch: x2

V:1 REPEAT

Ch: x2

+ why is life so hard
